

Airspace Refresher

This presentation will focus on the airspace in the Chicago area and the many pitfalls of flying in this area. TFR's will also be covered.

Directions: Museum is located in the North most hangar (#1) facing runway at Bolingbrook's Clow International Airport. Clow airport is located in Bolingbrook just West of Weber Rd., South of Boughton Rd. and North of I-55. Aircraft parking in front of Cafe. Auto parking in airport parking lot and in front of Hangar #1. CAUTION: Hangar #1 is on an active ramp

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
